

Doc Name:	Material Safety Data Sheet (MSDS) for Quantiplus Influenza Differentiation Kit (Real Time Qualitative PCR Kit)		
Doc No.	MSDS/HL/028	Ver No:00	Effective from: 01/11/23

	1 =	=		
1	Company identification	HLSS Manufacturing Pvt Ltd Plot No's M14, M15, M16, TSIIC Medical device park		
	identification		Mandal, Sangareddy Dist, TS-502319	
		Emergency Contact Tel: +91-08413-232256/		
		+91 9052226226 Email: info@huwellifesciences.com		
		http://www.huwellifesciences.i		
2	Product identification		<u></u>	
_	Troduce identification			
2.1	Name of the Product	Overstinker Influence Differentia	tion Vit (Dool Time Qualitative DCD Vit)	
2.1	Name of the Product	Quantiplus Influenza Differentiation Kit (Real Time Qualitative PCR Kit)		
2.2	Donald at Code	OL THER SE OL THER ES		
2.2	Product Code	: QL-INFD-25, QL-INFD-50		
2.3	Pack size (No. of	: 25 Tests, 50 Tests		
	rxns)			
2.4	Intended use:	Quantiplus Influenza Differentia	ation Kit (Real Time Qualitative PCR Kit) is	
			Il-time PCR technology, for the qualitative	
		detection and differentiation of	f influenza A virus, influenza B virus and	
			s specific RNA This product contains single	
			Primer Mixes for detection of influenza-A,	
			1), Influenza specific Positive Control and	
		Negative Control (PW).		
2.5	Composition/	The product contains general	buffer, dNTP's, amplification mix, primer	
	Information on	and probes and MgCl ₂ with non-	hazardous properties.	
	reagents:			
			Research Use only. This product must be	
		-	technicians with strong knowledge on	
		molecular biology as per Good Laboratory practice (GLP) and product insert/instruction manual.		
3	Hazards	Significant health effects are not anticipated from routine use of this kit		
	identification	when following the precautions listed within this MSDS and the kit		
		specific package insert. None of the components listed within this kit are		
			ed by the Occupational Safety and Health	
		Administration (OSHA). OSHA Hazards	: No Known OSHA Hazards	
		Inhalation	: No information available.	
		Ingestion	: May be harmful.	
		Skin Contact	: No information available.	
		Eye Contact	: May cause irritation.	
4	First-Aid Measures	For all incidents, a medical exar	n is desirable	

Caution

Doc Na		Material Safety I PCR Kit)	Data Sheet (MSDS) for (Quantiplus Influenza Differ	rentiation Kit (Real Time Qualitative
Doc No. MSDS/HL/028			Ver No:00	Effective from: 01/11/23	
			Inhalation : No information available. Ingestion : May Induce immediate vomiting, seek medical advice Skin Contact : Wash copiously with water and soap. Eye Contact : Flush eyes copiously with water and seek medical advice		
5	5 Fire-fighting Measures		Extinguishing media: Use any mean suitable to extinguish the surrounding fire Un-extinguishing media: No information available Special hazards of product: No information available Protective equipment For fire fighting: Carry an autonomous respiratory protection apparatus and appropriate protection clothes		
6	Accidental release Measures		Individual Precaution: Use an individual protection equipment Environmental Precaution: If incident, let flow run copiously Method of cleaning: Clean with an inert absorbent		
7	No specific recommendation is requested. Always stored condition, Observe all conditions described in the user manual labels. As with all chemical and biological substances, avoid components within this kit spilled on you or into your body. or drink while using this kit. This kit should be handled only clinical or laboratory employees trained on the use of this kit familiar with the potential hazards. Universal precautions to when handling and working with this kit.			ed in the user manual and on the all substances, avoid getting the or into your body. Do not eat uld be handled only by qualified in the use of this kit and who are	
8	Exposure controls				
8.1	Exposur	e limits	: No information available		
9	Person Protect		Respiratory protection: No information available Hands protection: Wear water-proof gloves Eyes protection: Use chemical safety goggles Skin protection: Wear lab coat Hygiene measures: Follow good laboratory hygiene practices and security Instructions		
10	Physica Chemic propert	al			
10.1	Physical		: Liquid Chemical, physical, and toxicological properties have not been thoroughly investigated		
11	Stabilit reactiv		Stability: Stable under conditions described in the Product insert Materials to avoid: No information available Hazardous decomposition Products: No information available		
12	·			mation available
