

Doc Name:	Material Safety Data Sheet (MSDS) for Quantiplus® HCV FAST Detection Kit (Real-Time Qualitative PCR Kit)		
Doc No.	MSDS/HL/009	Ver No:00	Effective from: 1/11/23

1	Company identification	HLSS Manufacturing Pvt Ltd Plot No's M14, M15, M16, TSIIC Medical device park Sulthanpur villiage, Ameenpur Mandal, Sangareddy Dist, TS-502319		
		Emergency Contact Tel: +91-08413-232256/ +91 9052226226		
		Email: info@huwellifesciences.com		
		http://www.huwellifesciences.in		
2	Product identification			
2.1	Name of the Product	: Quantiplus® HCV FAST Detection Kit (Real-Time Qualitative PCR Kit)		
2.2	Product Code	: QLF-HBV-25 QLF-HBV-50 QLF-HBV-100		
2.3	Pack size (No. of rxns)	: 25 Tests, 50 Tests, 100 Tests		
2.4	Intended use:	Quantiplus® HCV FAST Detection Kit is a reverse transcription Real-Time PCR based in vitro diagnostic assay for detection of Hepatitis C Virus (1-6 genotypes) in human plasma. The kit contains Single tube qPCR mix with Reverse Transcriptase and UDG/UNG, Primer Probe Mix (PPM), positive control (HCVFPC), and Internal Control (IC-B mix). This advanced formulation enables performance of fast PCR in shorter run time (≤60 min), and UDG/UNG helps in controlling PCR carryover contamination. This kit is not to be used for screening of blood/blood products from blood donors.		
2.5	Composition/	The product contains general buffer, dNTP's, amplification mix, primer and		
	Information on	probes and MgCl₂ with non-hazardous properties.		
	reagents:	Note : This product must be used for Invitro Diagnostic Use only. This		
		product must be used by scientists/ laboratory technicians with strong		
		knowledge on molecular biology as per Good Laboratory practice (GLP) and product insert/ instruction manual.		
3	Hazards	Significant health effects	are not anticipated from routine use of this kit	
	identification	when following the precautions listed within this MSDS and the kit specific package insert. None of the components listed within this kit are considered hazardous as defined by the Occupational Safety and Health Administration (OSHA).		
		OSHA Hazards	: No Known OSHA Hazards	
		Inhalation	: No information available.	
		Ingestion Skin Contact	: May be harmful. : No information available.	
		Eye Contact	: May cause irritation.	
4	First-Aid Measures	For all incidents, a medical	·	
		Inhalation : No information available.		
			duce immediate vomiting, seek medical advice	
		Skin Contact : Wash co	opiously with water and soap.

Doc Name:	Material Safety Data Sheet (MSDS) for Quantiplus® HCV FAST Detection Kit (Real-Time Qualitative PCR Kit)		
Doc No.	MSDS/HL/009	Ver No:00	Effective from: 1/11/23

		Eye Contact : Flush eyes copiously with water and seek medical advice		
			. , ,	
5	Fire-fighting Measures	Extinguishing media: Use any mean suitable to extinguish the surrounding fire Un-extinguishing media: No information available		
		Special hazards of product: No information available		
		Protective equipment For fire fighting: Carry an autonomous respiratory protection apparatus and appropriate protection clothes		
6	Accidental release Measures	Individual Precaution: Use an individual protection equipment Environmental Precaution: If incident, let flow run copiously Method of cleaning: Clean with an inert absorbent		
7	Handling and storage	No specific recommendation is requested. Always store in frozen condition, Observe all conditions described in the user manual and on the labels. As with all chemical and biological substances, avoid getting the components within this kit spilled on you or into your body. Do not eat or drink while using this kit. This kit should be handled only by qualified clinical or laboratory employees trained on the use of this kit and who are familiar with the potential hazards. Universal precautions to be followed when handling and working with this kit.		
8	Exposure controls			
8.1	Exposure limits	: No information available		
9	Personnel Protection	Respiratory protection: No information available Hands protection: Wear water-proof gloves Eyes protection: Use chemical safety goggles Skin protection: Wear lab coat Hygiene measures: Follow good laboratory hygiene practices and security Instructions		
10	Physical and Chemical properties			
10.1	Physical state	: Liquid Chemical, physical, and toxicological properties have not been thoroughly investigated		
11	Stability and reactivity	Stability: Stable under conditions described in the Product insert Materials to avoid: No information available Hazardous decomposition Products: No information available		
12	Toxicological	Potential effects on health		
	information	Eyes Skin Inhalation Ingestion	: No information available: No information available: No information available: No information available

		Special Effects		
		Carcinogen	: No information available	
		Mutagen	: No information available	
		Toxicity for reproduction	: No information available	
		Sensitization	: No information available	
13	Ecological	Mobility	: No information available	
	information	Persistence/degradation	: Intrinsically biodegradable	
		Bioaccumulation	: No information available	
		Aquatic Toxicity	: No information available	
		Disposal Considerations & re	quirements: Dispose in accordance with	
		state and local regulations		
14	Transportation	The product is not dangerous. Follow IATA regulations		
	information			
15	Regulatory	No information available		
	information			
16	Other Information	HLSS Manufacturing Pvt Ltd assumes no liability for damages resulting		
		from handling or being in contact with this product. Customer is solely		
		responsible for improper usage of this product other than for what this		
		product is designed to use. The kit and its components may present		
		unknown hazards and should be used with caution. Improper use and/or		
		inappropriate combination with other products and substances may		
		produce harmful results.
